THE ARBITRARY INCARCERATION OF CITIZENS.

A. Conservation Republican Poper on the Desput ism of the Secretary of War.

From the New York World, September 11 The Secretary of War, with the fatality attending all that he puts his hand to, drives the iron home to the marrow. The ten citizens whom he last week threw into the station onse by ex post facto rescript, he now consigns to Fort Lafayette. Ha thus entablishes that the niginal arrest was not inadvertent, but deliberate and prepense. Charity is silenced. The outoutrage stands out consumate and nomistakable. The Secretary flatters himself that this loyal city has neither the sense to feel nor the spirit to reent. He is mistaken. His provocation is an-

cases where the regular course of law would have imperiled the public safety. It was a dreadful expanditure, penetrating the very heart of the Constitution, but was intended only for dreadfu exigencies. The nudes frequency with which it was used long ago disquinted the thoughtful Yet little public commant was made, for there was trust it would soon regulate itself. That trust has been disappointed. The evil has only gathered strength from forhearance. What was at first inconsiderateness has become spitsin wantonness. What was at first simply a terror to traiters has at last become an intolerable and scensed despotism to loval mea.

Here are the efficens whose patriotism is unuestioned, who have substantiated it by conributing of their money and by sending their sons to the battle-field, arrested for action which at the time it was committed both they and and proper. The first public notification that the War Department interdicted the business of procuring substitutes for the approaching draft was given on Thursday, the 28th ultimo, and yel these arrests for contravening that interdict were made on the morning or the day passing Granting that the prohibition was expediordered us to "come forward and surrender, or ent when it came-though of that there may be reasonable doubt-the retroactive inforcement of it was an abaurdity that confounds reason. says in view of the insolent threats and possible time reigning back my horse several, paces, and a harbarity that shocks justice. It is impassible to pretend that any public advantage required it. These citizens would all have cheerfally complied with the regulation from the moment it had been brought to their knowledge. Had their simple promise to that effect not been District.
